NOTE FOR THE DIRECTOR

Bill:

I have advised George that White House instruction allows him to show Zimmerman the KIQs and KIQ strategy reports as part of the SSC look at the requirements process. This does not directly involve NIEs.

No further access to NIEs. No formal action on Lynn's notes to clear them and no additional testimony - historic or present - until briefing has been provided.

This has been confirmed as consistent with White House instructions again this a.m.
